# NEWBERRY LITTLE LEAGUE ENDS SEASON

*70 Years of the Boys (and Girls) of Summer – Stay Tuned (See Final Note!)*

It is hard to believe that as I type this, the 70th regular season of baseball and softball is about over at Newberry Little League. It seems like yesterday was opening day! A lot has happened since my last article about the League. We have received a magnificent donation, we've formed a wonderful partnership with the Newberry Community Partnership and our fields have never looked better.

Thanks to the hard work of two of our committed board members and the generosity of three local volunteer fire departments we received a critical piece of safety equipment. Rob and Kelle Robinson thought that having an AED (Automatic Electronic Defibrillator) would be a great addition to our facility. After inquiring with a few local volunteer fire departments they were able to acquire the AED. We would like to extend our appreciation to Independent, Duboistown and Nisbet Volunteer fire companies who made it all possible.

*Aerial view of Newberry Little League courtesy of Tony Cooper!*

Later this summer the Newberry Community Partnership and the Newberry Little League will be hosting a community fair and flea market. The event will be held on August 20th. This event will feature food, live bands, kids games and other vendors. Call Dolli Lambert at 570-279-7937 to reserve your vendor and flea market space. Stop by, check out our complex, enjoy great food and shop the flea market. There might even be a baseball game being played!

On behalf of our entire league, I would like to thank the following; The NBLL Board of Directors, Umpires, Managers, Coaches, spectators, parents and especially our children. We could not do any of this without each and every one of you. A special shout out to Nick Dellomo and Chris Wagner who worked tirelessly on the fields to make them look great, and the many volunteers who've spent countless hours throughout the season working in the complex. It's our volunteers who make this league run.

As we venture into All Stars and tournament play we wish each and every team good luck! Play hard, have fun and remember we are proud of all of you!

*As a final note I wish to apologize to all of the **insideNewberry** readers. I promised you a part two of the history of Newberry Little League. Unfortunately, I was not able to meet the deadline for this issue. But, now that the rigors of the regular season are done, I will be able to devote more time and complete my task. I will have it ready for the next issue. Until then, good luck Team Newberry!*

# SPRING NEWBERRY LITTER PICK-UP RESULTS

On a pleasant April spring morning forty-two volunteers, that included 11 youngsters, gathered at the corner of West 4th and Diamond Street. They donned bright vests and gloves and carrying large trash bags, they walked the streets and alleys of Newberry to pick up litter. Their efforts resulted in collecting a total of 440 pounds of trash and recyclables.

Frank Welch, our local produce vendor, planted flowers on the corner of West 4th and Diamond Street, in front of the WECC Center.

Upon their arrival, the volunteers were welcomed with coffee, juice and snacks compliments of Pepsi Cola and Weis Market and upon their return enjoyed pizza for lunch.

The Safe, Clean and Green Team of the Newberry Community Partnership would like to thank Bob Russell for hauling away the collected debris and all the volunteers for taking time on a Saturday morning to show community pride.

We look forward to seeing many more residents and friends of Williamsport's West End at our fall clean up.

*Some of the volunteers who participated at the spring litter pick-up and some of the trash collected.*

## AUTUMN 2016 CLEAN UP

### *Save the Date!*

**Come join in the autumn clean up, Saturday, September 24th, 9:30 am to Noon. Let's see if we can get an even better turnout. "Sprucing up Newberry by removing ugly litter is important work. Friends and neighbors getting together to help make their community more livable, represents something more important, says Robbie Cross, SCG Team Leader. Call 570-601-0298 or 322-6828 for information.**

## THE WEST END BABE RUTH LEAGUE AWARDED THE 2016 BABE RUTH MID-ATLANTIC REGIONAL CHAMPIONSHIP TOURNAMENT FOR 15 YEAR OLDS

State representatives from Pennsylvania, Delaware, Maryland, Northern New Jersey, Southern New Jersey, Western New York and Eastern New York along with West End, will battle for the right to advance to the Babe Ruth World Series as the Mid Atlantic representative.

The tournament will be held from July 22nd to July 27th at Robert Baier Logue Memorial Field in the Newberry section of Williamsport.

West End Baseball League was formed in 1943 and is the oldest baseball league for 13-15 year olds in the world.

Newberry Lions Club has sponsored a team in our league for all 73 years.

## Summer 2016 News

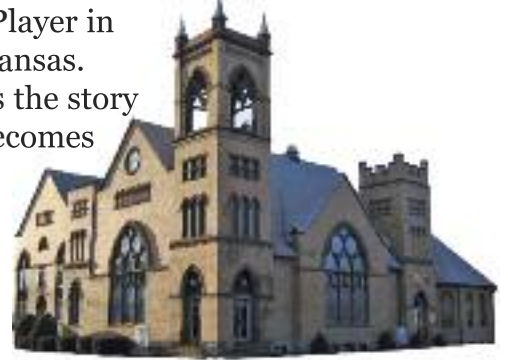

Summertime and the living is easy. I think I heard that in a song from an old play. Well, I hope summer is easy for you and you are enjoying all that it brings. Every season is fun here at the WECCC, but summer does bring us some different programs and events.

We are pleased to have the YMCA Summer Day Camp operating out of our Youth Room again. It does this retired teacher's heart a lot of good to hear the sound of children's voices, footsteps, and laughter when I enter the building in the morning. We also will be participating in the Kid's Café program, which will give us the opportunity to offer lunches to children over their summer recess from school.

Did someone mention a play earlier? We are also very pleased to share a press release:

Studio 570 will be presenting George Bernard Shaw's *Pygmalion* on July 21-23 at 8:00 pm and July 23-24 at 2:00 pm, at the West End Christian Community Center. Studio 570 is a new theater company in the Williamsport Area, which will give opportunity for emerging leaders in theater a launch board for their careers. The new company is excited to present its first production, under the direction of Virginia Hirsch, Artistic Director of

the Fault Line Player in Jonesboro, Arkansas. *Pygmalion* tells the story of Eliza, who becomes a student of Henry Higgins, professor of Phonetics. This play served as

the source for the Broadway musical *My Fair Lady*. Tickets are \$10.00. For more info check out Studio 570's Facebook page [www.facebook.com/studio570.theater](http://www.facebook.com/studio570.theater).

Feel free to call the WECCC office at (570) 323-6297 for more information as well. This is a great opportunity to see a live performance in our own back yard. No, really it will be in our Community Room, 901 Diamond St.

All of the other programs and activities keeping us busy on the corner of Fourth and Diamond are in full swing as well. Visit our web site at <http://westendchristiancenter.susumc.org/> or better yet, stop in and see us.

Until next time,

# INSIDE OUR SCHOOLS...Reports from Newberry's Schools

## *Field Trips Enhance Learning at West Branch School*

Field trips play an important role in student learning at West Branch School. Throughout the year, students have the opportunity to go on a variety of field trips that extend what is being learned at school or provide new and enjoyable experiences! Recently, both the upstairs (3rd – 6th grades) and downstairs students (Kindergarten – 2nd grades) went on separate field trips. The upstairs students visited the Waterdale Lodge. While there, the students participated in a creek study, learned about invasive aquatics, and toured the water treatment plant. The students had a great time and learned interesting and new information. One student even realized an immediate application to his own life. When asked about the field trip, fifth grader Garreth Watts responded, “Waterdale was awesome! We learned about many invasive plants, which helped me because I had some in the garden.”

On the same day, the downstairs students hiked through nearby Rider Park. In addition to enjoying the beautiful surroundings, the students

*WBS downstairs students at Rider Park*

worked in small groups to identify insects, flowers, trees, and more. Teacher Colleen Winton commented, “It is so impressive to see such young students using real field guides to identify things in nature.”

Some of the other field trip locations this year included Camp Susque, Bald Eagle State Park, Carpenter’s Farm, the Bloomsburg Theatre Ensemble, Washington, D.C., and the Williamsport YMCA for swimming lessons. At WBS, field trips don’t represent a break from learning; they are an integral part of student learning and growth. Part of the school’s educational philosophy states that the school

will provide a variety of learning experiences, including opportunities to capitalize on spontaneous learning moments and draw connections between academic content and the real world. At West Branch School, field trips provide these unique experiences for students that complement and enhance their everyday learning. For more information about West Branch School, please visit [www.westbranchschool.org](http://www.westbranchschool.org).

## NATIONAL NIGHT OUT

*Slated for Tuesday, August 2, 2016*

This year, the Williamsport National Night Out Event will be on Tuesday, August 2nd starting at 6:30pm with a rain date of Wednesday, August 3rd. We will be starting out from the Trinity Gospel Church located at the corner of Elmira St. and Brandon Ave. in the Vallamont section of the city.

Jeff Reeder, Citizens Corps Council President, explained, "We try to move this focused walk to different sections of Williamsport every year. Last year's walk was held in Newberry. This is not to say that we don't encourage walks from being held in other parts of the city's neighborhoods then possibly joining up with us later."

As always, the Police, Fire and Codes Depts. will be walking along with the group. There will be drinks and refreshments available following the walk.

If you will not be joining a walk, you can still show support for the NNO tradition by turning on your outside lights and holding front porch vigils. While one night is certainly not an answer to crime, drugs and violence, NNO represents the kind of spirit, energy and determination that is helping to make many neighborhoods safer places throughout the year. National Night Out is a night to celebrate safety and crime prevention successes - and to expand and strengthen programs for the next 364 days. For more info about NNO go to [www.nationalnightout.org](http://www.nationalnightout.org).

## HOME FIRES ARE PREVENTABLE!

Plan for your home and family. If you live in your home, you have less than 3 minutes to get out. If you need to use a wheelchair or a cane, make sure you can get to it easily and get out quickly. If you wear hearing aids or eyeglasses, put them next to your bed while you are sleeping. If you have children, be sure to involve them in making your escape plan and practice it with a regular drill. Have a fire drill twice a year by following these tips:

- Push the smoke alarm test button to start the drill
- Practice using different ways out
- Practice what to do in case there is smoke and Get low and Go
- Close doors behind you as you leave
- Get out and stay out! Never go back inside for people, pets, or personal belongings
- Get to your outside meeting place where first responders can see you

## NEWS

### 50th Anniversary Events Continue

2016 is STEP's 50th year of service to the community. A major fundraising campaign and several events will mark this milestone as we recognize our supporters, our customers, our partners, and our staff.

In order to aid in the establishment of a General STEP Endowment through the First Community Foundation Partnership of Pennsylvania, STEP is raffling off a 1966 Ford Mustang convertible! Tickets are \$20 each and can be purchased at the Lincoln Street office or at

1966 license #262 | 51P license #20 - Penn #1

[stepcorp.org/raffle](http://stepcorp.org/raffle). Only 3,500 tickets are being sold for this special car. Made the same year STEP was founded, the car is red, with a red-and-white interior. While being the raffled as-is, the car is fully operational, and STEP will be paying the transfer, registration, and income tax fees associated with winning the vehicle. The drawing will be held on November 7, 2016 at the RiverWalk Center in South Williamsport, at the end of a progressive dinner event (need not be present to win). Tickets for the dinner will be available this fall – details to follow!

As a way of saying thank you for our fifty years of partnership to the community, STEP is hosting a Pack-the-Park night with the Williamsport Crosscutters. The Pack-the-Park event scheduled for Friday, July 8, 2016 will see the Crosscutters take on the Ironbirds. Free tickets can be picked up starting June 10th at the STEP's 2138 Lincoln Street location or at any of the STEP Centers for Healthy Aging. Check STEP's website, [www.stepcorp.org](http://www.stepcorp.org) for more details. We hope you join us for a fun night at BB&T Park and stay for fireworks after the game!

**LAZY HAZY DAYS OF  
SUMMER**

***Remembering Old Jackson  
Playground***

One of my favorite pastimes when I was a kid was spending my summer days at Old Jackson Playground which buzzed with activity for all ages. As a kindergartener I staked out a corner in the sandbox underneath the big shade tree taking all morning to build towns and roads for my little cars.

Bigger kids played tag on the square metal monkey bars, or rode on the merry go round with someone in the middle pushing it to spin as fast as possible. Other play equipment included wooden see-saws, big swings and a very tall slide. Occasionally someone waxed the aluminum board so that riders practically flew to the bottom.

As I grew older I arrived early in the morning to pick up litter and sweep the blacktop so that I could be one of the first to play Nok Hockey, a board game for two players. The object was to score points by using a curved stick and shooting a puck into one of the slots at either end of the board. Long lines formed to play on one of the two boards so being first was a definite advantage.

Another line formed for Foursquare, a game played with a ball by 4 players each standing in a numbered square. The player in square one served the ball to another player who hit it to someone else. An out, either missing the ball or hitting it outside of the squares, meant being sent to the back of the line.

Old Jackson had their own version called “Six-square”, which wasn’t a square at all but a circle. The variation came about because the blacktop always flooded after a rain storm so the game was moved to the round sprinkler which was divided into 6 pie sections. A playground supervisor decided to paint a circle on the blacktop so that Six-square could be played even if it hadn’t rained.

Really hot days the sprinkler was turned on and everyone ran home for their swimming suits to splash about in the cool spray. Once a week was the comic books swap, kids trading their old comics for ones that were needed for their collection. Another weekly event was crafts. Popsicle sticks, bottle caps or broken pottery became beautiful works of art for our parents. Suddenly it was August and school clothes shopping was upon us. The playground closed, leaving only the sweet memories of the lazy, hazy days of summer.

## SUMMER IN THE VALLEY

### *Time to Ride Your Bicycle*

Good weather's here, and at Williamsport Bicycle Recycle, we're ready to ride the River Walk.

From our shop in the Pajama Factory on the corner of Rose and Park, we take Rose Street south across Fourth and Third, turn left through the Penn College Campus to Maynard, and turn right. We take the sidewalk by Sheetz, then go under the Beltway and we're on the River Walk.

From there, taking the South Side path, we can go to the city park and the Little League Complex. On the north side, we can go as far as Walmart by following the signs. The streets in Montoursville make for good safe riding too.

Plans are in the works for some better Newberry connections to the River Walk. For now, we need your help:

What streets are good Newberry neighborhood bicycle rides?

What are good ways to get from Newberry to the River Walk?

Email your suggestions (the more detail the better) to [williamsportbicyclerecycle@gmail.com](mailto:williamsportbicyclerecycle@gmail.com). We will use them for a group ride later in the summer.

To ride safely anywhere, your bike needs to be in good condition. Williamsport Bicycle Recycle, part of the non-profit FactoryWorks, is open Monday and Wednesday from 6 to 9 pm. For a small fee you can use our tools and mechanical help to make repairs. If you want a refurbished bike, check out what's on sale or arrange for an earn-a-bike program.

~ Happy Riding!

# LYCOMING COUNTY MASTER GARDENERS NEWS

## *Summer Programs – Want to grow your green thumb? Master Gardeners can help!*

Throughout the summer our Lycoming County Master Gardeners (LCMG) will be at the ready to make your gardening experience enjoyable and productive by offering a variety of opportunities to expand your knowledge and help you solve vexing garden issues. You just have to show up at any of the following events below:

### **WHAT'S GROWING ON IN THE GARDEN?**

**Saturday, July 9th, 10:00 - 11:00**

Do you ever wonder what insect is chewing on your tomato plant? Or, why your lettuce leaves are curling and turning brown? Do other gardeners face the same problems? Wonder no longer! Join the LCMG for an informal walk and talk about what's growing – or not – in the gardens and how to handle problems.

Every second Saturday, from July 9th through October, 10 AM to 11 AM, Master Gardeners will be at the Demonstration Gardens at Lysock View. You can come and go anytime during the hour. Come see what pests, practices, and produce are in the garden. Bring your questions and samples of mystery weeds, bugs or disease challenging your plants. Learn tips and tricks to get the most from your gardens. The Walk and Talks are free of charge. No registration is required.

### **MASTER GARDENERS IN DOWNTOWN WILLIAMSPORT ON:**

**Saturday, July 16th, 8:00 – 1:00 PM**

Outdoor Grower's Market

**Friday, August 5th 5:00 PM to dark**

First Friday, Downtown Williamsport

**Friday, September 2nd, 5:00 PM to dark**

First Friday, Downtown Williamsport

Stop by the Master Gardeners table to see what's new and exciting!

### **COOKING WITH HERBS**

**Saturday, August 6th 10:00 – 11:00 AM**

You planted herbs this season and now they are growing by leaps and bounds. What's the best way to make good use of them? Join Master Gardener Louise Fulmer and learn tips for growing herbs, how to have a variety of herbs available for cooking enhancement, best practices for drying herbs for use year 'round, and recipe suggestions. Due to limited seating, please register in advance online at <http://extension.psu.edu/lycoming/events> or call the Extension office at **570-433-3040!**

### **ANNUAL GARDEN FEST**

**Saturday, August 13th,**

**10:00 – 2:00 PM**

Join the Master Gardeners for a day of guest speakers, displays, vendors, garden tours, and refreshments from the garden, garden treasures and more! Speakers include:

10 AM John Esslinger, Penn State Horticulture Educator - "Growing Your Own Berries"

11 AM Eleanore Charles - "All You Ever Wanted to Know About Daylilies!"

12 PM Ed Dammer, Master Gardener - "The Soldiers' Garden at Fort Augusta in the 1750's"

1 PM Sid Furst, Master Gardener - "Storm Water & Rain Gardens"

Reg Laughner with Ironwood Acres/Victory Garden will be available outside throughout the day to discuss how to improve your soil organically.

Our Master Gardeners hotline is open year 'round. Email questions to [lycomingmghotline@gmail.com](mailto:lycomingmghotline@gmail.com) or call the office to leave a message for the Master Gardeners. Classes will be held at County Lysock View Complex, 542 County Farm Rd., Montoursville, PA unless otherwise stated.

Additional programs and events are planned for the year. Check our events website regularly, stop by the office to pick up a program brochure, or find us on Facebook at <http://www.facebook.com/LycomingCountyMasterGardeners>

*Penn State encourages persons with disabilities to participate in its programs and activities. If you anticipate needing special accommodations or have questions about the physical access provided, contact Jean Hammond at 570-320-4429 prior to your participation or visit.*
